

## B.B. Class Road

The Byrds

We're driving down the highway seven days a week  
Looking for a number one looking rather bleak  
Well I'm a roadie what a job being a roadie  
I'm a roadie B.B. Class Road  
I get them to the gig on time it's not so hard to do  
They only way to break a crime speeding is the thing to do  
Well I'm a roadie what a job being a roadie  
I'm a roadie B.B. Class Road

Well I'm really really really really tired today  
I've been checking my gear all night  
You know what they're all gonna say  
Someday you're gonna miss a flight  
Well I'm a roadie here today and truckin all the same  
I'm a roadie B.B. Class Road B.B. Class Road B.B. Class Road
