

## It's No Use

The Byrds

It's no use saying you're gonna stay  
If you don't want to be all mine  
I haven't got room for somebody who  
Is gonna hurt me all the time  
Somebody who couldn't see  
All the love I was trying to give  
It's no use saying you're gonna stay  
If you don't want our love to live.  
It's no use keeping you around  
If you don't want me all the way  
There's somebody new who can be found  
And I'll find her someday  
And she will be everything  
All the love she has she'll want to give  
It's no use saying you're gonna stay  
If you don't want our love to live.  
If you don't, oh I'd love to leave  
If you don't, oh I'd love to leave  
Oh I should be good to you but I can't cause before  
I was really true to you but you only hurt me more  
(repeat first verse)
