

# Cocktail Party Bloody Cocktail Party

The Cardigans

You've seen life through distorted eyes  
You know you had to learn  
The execution of your mind  
You really had to turn  
The race is run the book is read  
The end begins to show  
The truth is out, the lies are old  
But you don't want to know

Nobody will ever let you know  
When you ask the reasons why  
They just tell you that you're on your own  
Fill your head all full of lies

The people who have crippled you  
You want to see them burn  
The gates of life have closed on you  
And now there's just no return

Nobody will ever let you know  
When you ask the reasons why  
They just tell you that you're on your own  
Fill your head all full of lies
