

## Because Of You

The Cover Girls

I used to walk home all alone, it used to be so sad  
I used to be all by myself, used to be so bad  
Until you  
You came along and took me by the hand  
Until you  
You came along and said that you'd be my man

Now I'm jumping up and down  
Spinning all around because of you  
Babe  
I'm as happy as can be and it's definitely  
Because of you  
Babe  
Just because of you...

I used to go to bed at night, wishing I had a friend  
Someone to hold and squeeze me tight, one very special friend  
Until you  
You came along and told me you would be the one  
Until you  
You came along and held me in your arms

You are a dream come true  
And there's nothing in this world  
I wouldn't do  
Baby just for you

Bop, ooh woah woah  
Bop, Bop ooh woah woah  
Bop, ooh woah woah  
Bop, Bop ooh woah woah  
Bop, ooh woah woah  
Bop, Bop ooh woah woah  
Bop, ooh woah woah  
Bop, Bop ooh woah woah

I love you...
