

# That Boy Of Mine

The Cover Girls

I don't know what it is  
about that boy of mine  
when I'm alone with him  
he makes me feel so fine  
and when he holds me in his arms  
I feel so secure  
and every day that passes  
makes me love him more.

I wish I could describe  
the way he makes me feel inside  
he's mine and I love him so  
and I'll never ever never let him go  
That boy that boy of mine  
is the one that I adore  
that boy that boy of mine  
is the one my heart beats for  
that boy of mine

I think about him  
every day and every night  
I dream about the way  
he holds me oh so tight  
and when he kisses me  
I know his love is true  
and if I lost him  
I don't know what I would do

I wish I could describe  
the way he makes me feel inside  
he's mine and I love him so  
and I'll never ever never let him go
