

# We Can't Go Wrong

The Cover Girls

For so long, I kept these feelings for you locked up inside  
And there were nights that I would cry myself to sleep and wonder why

Now I don't want to tell you how to live  
Don't want to put the blame  
But don't you think it's time for you and I  
To try to make a change

We can't go wrong  
(Loving one another]  
We can't go wrong  
(Caring for each other]  
We can't go wrong  
If the love we have is real  
We can't go wrong

There was a time when things were better than the way they are today  
But we forgot the vows we made and love got lost along the way

Now I can tell just by the way you look at me that you feel the same  
So don't you think it's time for you and I to try to make a change

We can't go wrong  
(Loving one another]  
We can't go wrong  
(Caring for each other]  
We can't go wrong  
If the love we have is real  
We can't go wrong

We can't go wrong  
(Loving one another]  
We can't go wrong  
(Caring for each other]  
We can't go wrong  
If the love we have is real  
We can't go wrong

We can't go wrong  
We can't go wrong  
We can't go wrong  
We can't go wrong  
We can't go wrong  
We can't go wrong  
If the love we have is real
