

## Faster Pussycat

### The Cramps

If you want wild living fast  
and if you want her and you're giving  
Your all,  
That's because,  
Pussycat,  
She's living break fast  
Pussycat  
She's riding high  
If you think that you can take her  
Well just you try  
It's that she doesn't see what's wrong from right,  
She's living fast and free  
Child of the night  
In her life there'll be no time for love  
You'll never take her  
Make up your mind  
You will find  
Pussycat  
she's living break fast  
Pussycat,  
She's riding high  
If you think that you can take her  
Well just you try

It's that she doesn't see  
What's wrong from right  
She's running fast and free  
Child of the night  
In her life there'll be no time for love  
You'll never take her  
Make up your mind  
You will find  
Pussycat  
She's living break fast  
Pussycat  
She's riding high  
If you think that you can take her  
Well just you try  
Well just you try
