The Dillinger Escape Plan

I don't know your name, but I know you Do you lust for fame or forgiveness?

Well I'll give you everything you want, Well I'll give you everything you hate. You won't be perfect so best to freeze you in this state Go on home you shouldn't be walking around on this day.

Now you've stuffed your throat You've walked on your burial ground Oh you'll draw the crowd With honey porcelain skin and crystal baby bones.

You picture in my pocket I'm obsessed with you.

Oh sweety there's no sense in crying you're above them all,

Barricade the door you can hold my hand for comfort when you fall.

You wear your skin so fresh Your smell intoxicates Little starlet.
