

# Coming Home

The Dirty Heads

I'm coming home  
It wont be too long  
And I will be there  
By the rise of the sun  
I've been waiting oh so patiently to hold you near  
Never let you go, and never let you go

Heeeeeeeey I feel it in my soul, I feel it in my soul  
Heeeeeeeey I never let you go

I've been alone, since I been gone  
Out on the road, so girl just hold on  
I've been waiting, oh so patiently to hold you near  
Never let you go, I never let you go

Heeeeeeeey I feel it in my soul, I feel it in my soul  
Heeeeeeeey I never let you go

To your arms I run  
To your heart I strum, to the beat  
To your love I am, only just a man  
Control me

To your arms I run  
To your heart I strum, to the beat  
To your love I am, only just a man  
Control me  
Control me

Heeeeeeeey I feel it in my soul, I feel it in my soul  
Heeeeeeeey I never let you go I never let you go
