

# Falling Into You

The Dirty Youth

Thought you were a keeper  
Now it's getting deeper  
I see the cracks you try to hide behind the window pane  
I'm not crying for you  
I'd rather just ignore you  
All the lies you feed me they just taste the same  
You just won't give up  
I'm running out of patience  
With you  
You need to give up  
Lose your expectations  
We're through

I'm so sick and tired of falling for you  
I know I'd be better off without you

Don't ask me for sympathy  
After how you treated me  
Your secrets they ain't safe with me  
Don't waste your breath  
You need to give up  
I've run out of patience  
With you

I'm so sick and tired of falling for you  
I know I'd be better off without you

You are so perfect  
You are my perfect poison

I'm so sick and tired of falling for you (Don't ask me for sympathy)  
I know I'd be better off without you (After how you treated me)  
I'm so sick and tired of falling for you (Don't ask me for sympathy)  
I know I'd be better off without you (After how you treated me)
