

Bitchin'

The Donnas

You're gonna listen up
We're gonna take you over
You're gonna lick it up
And you're gonna want more, more, more, more!
This is what it sounds like, When heads roll!
This is what it sounds like, We're all going down!
This is what it sounds like, and you're gonna want more, more,
more, more!
More!
More!
More!
So hold on tight!
