Boy Like You

The Donnas

I want to be with a boy like you I said I want to be with a boy like you (oh yeah) Patty said, you're a pest. But I want to be with a boy like you I want to go wherever you go It's okay my folks don't need to know (oh yeah) I don't care if you don't wash your hair Cause I want to be with a boy like you

You're the toughest boy in the school And my daddy's afraid of you (oh yeah)

I want to be with a boy like you (be with a boy like you) I said I want to be with a boy like you (I want to be with a boy like you) Like you
