

# Dirty Denim

The Donnas

You look like you've only slept for an hour  
You smell like you haven't taken a shower  
And your hair is so dirty  
It makes you look like you're 30

Your pants are slung way too low  
I see stuff I don't wanna know  
I wonder why you're so moody  
Is it 'cause you've got no booty

Baby, please, you must be outta your mind  
Do I look like I want your dirty denim?  
Listen up, I'm only sayin' this one more time  
One more time  
Can you hear me say that I don't want your dirty denim?  
Dirty Denim

Dirty Denim

I hate to say it, but they're all the same  
Thinkin' everybody knows their name  
But how can they break my heart  
If I can't even tell them apart

I can tell you think I'm impressed  
But do you think you're gonna get me undressed  
'Cause if you do I got bad news  
I wasn't winkin' that was just the booze

Baby, please, you must be outta your mind  
Outta your mind  
Do I look like I want your dirty denim  
Dirty Denim  
Listen up, I'm only sayin' this one more time  
One more time  
Can you hear me say that I don't want your dirty denim  
Dirty Denim

I don't want your, I don't need your  
I don't want your, I don't need your  
You pay 200 dollars to look like that  
You outta check out the laundromat

Baby, please, you must be outta your mind  
Outta your mind  
Do I look like I want your dirty denim  
Dirty Denim  
Listen up, I'm only sayin' this one more time  
One more time  
Can you hear me say that I don't want your dirty denim
