You look like you've only slept for an hour You smell like you haven't taken a shower And your hair is so dirty It makes you look like you're 30

Your pants are slung way too low I see stuff I don't wanna know I wonder why you're so moody Is it 'cause you've got no booty

Baby, please, you must be outta your mind
Do I look like I want your dirty denim?
Listen up, I'm only sayin' this one more time
One more time
Can you hear me say that I don't want your dirty denim?
Dirty Denim
Dirty Denim
Dirty Denim

I hate to say it, but they're all the same Thinkin' everybody knows their name But how can they break my heart If I can't even tell them apart

I can tell you think I'm impressed
But do you think you're gonna get me undressed
'Cause if you do I got bad news
I wasn't winkin' that was just the booze

Baby, please, you must be outta your mind
Outta your mind
Do I look like I want your dirty denim
Dirty Denim
Listen up, I'm only sayin' this one more time
One more time
Can you hear me say that I don't want your dirty denim
Dirty Denim

I don't want your, I don't need your I don't want your, I don't need your You pay 200 dollars to look like that You outta check out the laundromat

Baby, please, you must be outta your mind
Outta your mind
Do I look like I want your dirty denim
