

Friday Fun

The Donnas

Everybody's going after school
And you know I'm gonna be there too
And I know it's gonna be ok
'Cause of course I'm gonna be out late

I can't stop and I can't wait
I'm going mano all over the place
I got my cheeba and I feel all right
I'm gonna get it good tonight
Good tonight

Hey hey, I'm gonna get a Friday
Hey hey, I'm gonna get a Friday
Hey hey, I'm gonna get a Friday
Gonna get a Friday fun

All the boys are looking good tonight
They got food and I want to bite
I want to take a ride with them
El Camino again and again

And nobody's gonna stop us now
Gonna play the music really loud
South City is really cool
Everybody's got a swimming pool
