

# I Didn't Like You Anyway

The Donnas

You told me that it just couldn't be  
You don't wanna go out with me  
No I'm not sad, I don't even care  
'Cause dumb boys like you are everywhere  
Yeah, that's right

B-O-R-I-N-G  
Too bad you're not the boy for me  
B-O-R-I-N-G

I wanted something quick and easy  
I didn't like you anyway  
I was just lookin for fun, uh-huh  
I didn't like you anyway  
I'm a speed demon on the run

You thought I would be broken hearted  
Maybe I would if you weren't so retarded!  
I ask your name, you don't even know  
You should have dumped me on that talk show

B-O-R-I-N-G  
Too bad you're not the boy for me  
B-O-R-I-N-G

I wanted something quick and easy  
I didn't like you anyway  
I was just lookin for fun, uh-huh  
I didn't like you anyway  
I'm a speed demon on the run

I think that nasal spray got to your brain  
I knew you were lame, from your wallet chain  
A boston baked bean is the size of your head  
I heard you even wet your bed

B-O-R-I-N-G  
Too bad you're not the boy for me  
B-O-R-I-N-G

I wanted something quick and easy  
I didn't like you anyway  
I was just lookin for fun, uh-huh  
I didn't like you anyway  
I'm a speed demon on the run I didn't like you
