

Little Boy

The Donnas

Little boy little boy
Go and find some other girl to annoy
Don't you know I can't be treated like a toy
Cause that's for me to do to you

Take me home take me home
Have you ever even tried to use a comb
I think you might be missing a chromosome
Cause you keep comin back for more

You can try to figure me out
But you'll never know what girls are about
And all those things that I said yesterday
I didn't mean them anyway

Little boy little boy
Go and find some other girl to annoy
Don't you know I can't be treated like a toy
Cause that's for me to do to you

You can try to figure me out
But you'll never know what girls are about
And all those things that I said yesterday
I didn't mean them anyway
