

Rock'n'Roll Boy

The Donnas

Rock 'n roll boy where are you?
Come and sneak into my room
We met each other at Montgomery Ward's
You're my favorite mental retard

I want to be with my rock n' roll boy (oh yeah)
I want to be with my rock 'n roll boy (oh yeah)
I want to be with my rock 'n roll boy (oh yeah)
I want to be with my rock n' roll boy (oh yeah)
I want to be with my rock 'n roll boy. Hey!

I used to see you at Mitchell Park
Hanging out Kyle and Clint in the dark
Then your mommy put you in the loony bin
Then you OD'ed on Triptophan.

Rock 'n roll boy where are you?
Come and sneak into my room
We met each other at Montgomery Ward's
You're my favorite mental retard
