## **Too Fast For Love**

The Donnas

When you're young and crazy Life goes on When you're young and crazy Goes on and on and on You're too fast for love You're too fast for love You're too fast, you're too fast You're too fast for love Oh no, oh no Oh no, oh no Oh no, oh no Living on a jet Making love to someone else's dreams Say it again She puts her leg up Well, calls it good luck Do you know what I mean? Do you remember? Well I remember Oh no, oh no Dream machine So damn cool she can turn on the night The more she gets Well, the more that she needs Do you know what I mean? Do you remember? Well I remember Oh no, oh no Too fast Too fast for love Too fast You're too fast for love Oh no, oh no She's a streamline queen On a sex craved movie screen Say it again She'll use her time up Have nothing to show Well mark my words Do you remember? Well I remember Oh no, oh no You're too fast You're too fast for love
