

# You've Got A Crush On Me

The Donnas

The show is done  
But you're still hangin around  
You want some fun  
But I'm on my way outta town

You know you wanna hit it  
So why don't you just admit it

You've got a crush on me  
And it's easy to see  
That you write about me in your diary  
You've got a crush on me Never gonna go away

I talked to you  
And you tried to play it cool  
That's hard to do  
When you're wiping off your drool

You know you wanna hit it  
So why don't you just admit it

You're all alone  
Your friends all left cause you were waiting for me  
You call my phone  
But you'll never get past my caller i.d.

You know you wanna hit it  
So why don't you just admit it

You've got a crush on me  
( you've got a crush on me)  
You've got a crush on me
