

Wake Up

The Downtown Fiction

Cause when I wake up
I'm feel like the world is on a string
And when I wake up
I feel like I could do most anything
And I remember that there's so much more to see
And I remember that you're lying next to me

Don't wanna wake up
Feeling like I slept through all my life
Don't wanna break up
I wanna have you 'round most every night
And in the summer
We can take a chance and feel alive
A new adventure and we don't care if we survive

Cause I'm waiting for you
Like I know that you do
We'll go 'round and 'round and 'round again
'Round and 'round and 'round
Cause someday we might find
That we ran out of time
So let's go 'round and 'round and 'round again
'Round and 'round and 'round again

Cause when I wake up
I want to have to plan for our escape
Don't wanna make up
Another bad excuse to stay awake
Yeah I remember that there's so much more to see
And I remember that you're all I'd ever need

Cause I'm waiting for you
Like I know that you do
We'll go 'round and 'round and 'round again
'Round and 'round and 'round
Cause someday we might find
That we ran out of time
So let's go 'round and 'round and 'round again
'Round and 'round and 'round again
She said

Gotta make some time
To make some time

Cause I'm waiting for you
Like I know that you do
We'll go 'round and 'round and 'round again
'Round and 'round and 'round
Cause someday we might find
That we ran out of time

'Round and 'round and 'round again
