Exhibit A

The Features

I know you think it's funny When I speak sweet to you So laugh all you want to, honey But what I say is true

If you take a look inside my heart you'll find a little fire Observe the potential it displays
Notice from time to time the flames will climb even higher
I present to you Exhibit A

This ain't no secret mission I tell you what I plan to do I know you have suspicions So I'll prove my love to you

If you take a look inside my heart you'll find a little fire Observe the potential it displays
Notice from time to time the flames will climb even higher
I present to you Exhibit A
