

This Old Ghost Town

The Fratellis

Come now honey
I may be just a fool, but I've got my principles
I'm unlucky
You may be alive but you're not invincible
It's just blindness
Kicking up a fuss and it's not for the first time
Oh, your highness
Someone must've told you, you once were a friend of mine

I've never been shy but I've kept my head down
Oh oh oh
Knowing about enough to get by this old ghost town
Oh oh oh

Put on your best dress
I'll take you dancing under the street lights
Oh you're charmless
You ain't too pretty but I've seen you tonight
It's just kindness
I was brought up a way that I won't leave you crying
Oh, your highness
You ain't too bright but as long as you're trying

I'll do my best to keep my head down
Oh oh oh
Putting my brains to the test in this old ghost town
Oh oh oh

I've never been shy but I've kept my head down
Oh oh oh
Knowing about enough to get by this old ghost town
Oh oh oh

I'll do my best to keep my head down
Putting my brains to the test this in old ghost town
Oh oh oh
Oh oh oh
oh oh oh
