Be still and know that I'm with you Be still and know that I am here Be still and know that I'm with you Be still, be still, and know

When darkness comes upon you And covers you with fear and shame Be still and know that I'm with you And I will say your name

If terror falls upon your bed And sleep no longer comes Remember all the words I said Be still, be still, and know

And when you go through the valley
And the shadow comes down from the hill
If morning never comes to be
Be still, be still

If you forget the way to go
And lose where you came from
If no one is standing beside you
Be still and know I am

Be still and know that I'm with you Be still and know I am
