

The Scovge Ov Drvnkenness

The Gates of Slumber

Ageless demon, a bane to man
Slowly killing all it can
Selfish bastard master of drink
Violent oppressor vile stink

Drunken slave caught in it's grasp
Shaking fool dying gasp
All your life a web of lies
Broken vows bitter cries

Drooling wretch falling down
Crying wailing like a clown
All your life you've cast away
A slave to drink you will stay
