

How You're Bound

The Get Up Kids

Save the SOS
Don't wanna know.
Lost a fool contest
Punched in your bones
On the way home.
Hold you up
You fall down.
Hold you up
You fall down.
This isn't just
The way you were
How you're bound.

Swear you could not say
They're not the same.
Just get through the day
Without a shame
What it became.
Would you learn?
You fall down.
Hold you up
You fall down.
This isn't just
The way you were
But how you're bound
