## The Dark Night of the Soul

The Get Up Kids

Never thought anything lasts forever Hanging on every word Hold the cards in tight But your killing me with sincerity And I'd make any move tonight

Redemption is a bitch Too end on

The dark night of the soul The dark night of the soul

All my training beget a traitor A monster with a mind of it's own The beast is poised to strike The bastard plays on these insecurities Takes all my will to fight

Redemption is a bitch Too end on

The dark night of the soul The dark night of the soul Oh well,You know what they say Suddenly everything's Suddenly everything's real

The dark night of the soul The dark night of the soul (oh well, You know what they say Suddenly everything's Suddenly everytihng's real) The dark night of the soul The dark night of the soul (The bastard plays on these insecurities Takes all my will fight) The dark night of the soul The dark night of the soul (Oh well, You know what they say Suddenly everything's Suddenly everytihng's real) The dark night of the soul The dark night of the soul
