I'll go with the worst idea If everyone takes the toll Keep following anyone Who digs a deeper hole Sing me a tune Wasn't this bond built forever? The anchor that strong My money, it changes how we used to value most So over the short ascent that comes at any cost Sing me a tune Wasn't this bond built forever? The anchor that strong Didn't we build this together? The worst just go wrong The worst just go wrong On and on How do you win so many enemies? I'm open to any good news What if the world falls in? On the only option we knew Sing me a tune Wasn't this bond built forever? The anchor that strong Didn't we build this together? The worst just go wrong I'll go with the worst idea If everyone takes the toll My money, it changes how we used to value most So over the short ascent that comes at any cost Sing me a tune Wasn't this bond built forever? The anchor that strong The anchor that strong I'll go with the worst idea If everyone takes the toll (way too long) I'll go with the worst idea If everyone takes the toll
