

# No Salvation

The Hellcopters

I went out walkin with the ghouls last night (2x)  
I felt I had nothin to lose last night  
I went out walkin? with the ghouls..

I felt my heart was out of fuel last night (2x)  
I felt I had nothin to lose last night  
I felt my heart was out of fuel..

You just can't change, no matter how you try  
Lie of love, I am denied  
Saw it coming, didn't step aside  
No one to blame the day I was born, was a crying shame

Yeah, Yeah, done wrong  
NO SALVATION  
Yeah, Yeah, done wrong

I always tried to keep my head up high (2x)  
When no-one listens there's no need to cry  
I always tried to keep my head

Just can't change, no matter how you try  
The lie of love, I am denied  
Saw it coming, didn't step aside  
No one to blame, the day I was born, was a crying shame

Yeah, Yeah, done wrong  
NO SALVATION!  
Yeah, Yeah, done wrong  
NO SALVATION!  
Yeah, Yeah!, done wrong  
NO SALVATION!  
Yeah, Yeah, done wrong

There's something inside..  
I need something to kill my time!  
There's something inside?cuz? nothin in this world can  
give me what I need  
I said there's nothin' in this world, can give me what  
I need

If you can't help me no-one can  
No can help this greater man  
You don't know how it feels, to know this fallen man  
with his evil needs  
You don't have to tell me how lousy I am  
No salvation for this man  
No salvation for a man like me!  
DONE WRONG
