

Syd
If you wanna roll with me fine
Just mind
I can't stay out all night

Baby its okay
Just tell me when to take you home
Cus I
Wanna wanna hold you, I do

Baby
You don't have to have a reason why
You don't have to live that life
Get it out your mind
Zooming 9 to 5 for ya love

Hey
If I wasn't acting quite right
Im just shy
Its me, myself, and I

Don't hesitate to call me on the telephone
Cus I don't want you to be alone
Noooo ohhh

You don't have to have a reason why
You don't have to live that life
Get it out your mind
Zooming 9 to 5 for ya love
Im I really supposed to
Supposed to be
I don't really know what it is
Am I really that lonely
I don't
Maybe you can even teach me
How to smoke weed
And I can meet some of your friends
