I Once Had Your Love (And I Can't Let Go)

The Isley Brothers

Every day I think of you Can't believe it's true that I'm so into you That I don't know where I'm goin' I never felt this way before All I wanna do is to love you, baby Behind closed doors

Ooh, I once had your lovin', baby And I can't let go I once had your lovin', baby And I can't let go

I once had your lovin', baby And I can't let go Don't let go All of the good times that we shared

Every day's a holiday We could celebrate makin' love together Ooh, let's keep this fire burnin' Every day is new, girl When I think of you I get so excited Ooh, you keep my whole world turnin'

I just had your lovin', baby And I can't let go I once had your loving, baby And I can't let go

I once had your loving, baby And I can't let go Don't let go All of the good times that we shared

Can't let you go Can't let you go Can't let you go Can't let you go

Girl, I can't let you go Sure as heaven above we've found love

You and I can fly away Maybe to L.A. or some lovely island Take a stroll along the ocean Building castles in the sand Doin' all the things we planned together Ooh, I love you so much, baby

I once had your lovin', baby And I can't let go I once had your lovin', baby And I can't let go

I once had your lovin', baby And I can't let go Don't let go All of the good times that we shared I once had your lovin', baby And I can't let go I once had your lovin', baby And I can't let go I once had your lovin', baby And I can't let go Can't let it go, girl I once had your lovin', baby And I can't let go I once had your lovin', baby And I can't let go I once had your lovin', baby And I can't let go Can't let it go, no, no Ooh, I once had your lovin', baby And I can't let go I once had your lovin', baby And I can't let go I once had your lovin', baby And I can't let go Can't let go I once had your lovin', baby Can't let go I once had your lovin', baby Can't let go I once had your lovin', baby And I can't let go, ooh
