

# So Good

The J. Geils Band

I was wild  
I was always on the run  
I kept my spirits high  
And ready for some fun  
Then I saw you  
I couldn't believe my eyes  
You grabbed me by the heart  
And left me mystified

I had a feeling  
That first time we met  
There's something about you  
Gonna be hard to forget

Your love is so, so good  
It's so good  
Your love is so, so good  
It's so good  
Your love is sooo,  
It's so good  
Your love is so, so good  
It's so good

The proof is in the pudding  
I can taste it all the time  
You been spiced so good  
I'm sure glad you're mine  
I'm not ashamed  
To let everybody know  
I never never never  
Felt this good before

Since that day  
You're always on my mind  
I want to be with you girl  
All of the time

Your love is so, so good  
It's so good  
Your love is so, so good  
It's so good  
Your love is sooo,  
It's so good  
Your love is so, so good  
It's so good

Come on  
Ha!  
Come on, baby  
Oooo, yeah  
Love's so good  
Love's so good  
Love's so good  
It's so darned good  
So good

I had a feeling

The first time we met  
There's something about you  
Gonna be hard to forget

Well, it's so, so good  
It's so good  
Your love is so, so, so, so good  
Your love is sooo, so good  
Your love is so good  
It's so good

Give me a little lovin'  
Give me a little lovin'  
Give me a little looove  
Want a little lovin'  
So good  
Oh
