It's very hard to define it Just why I feel this way There must be all kinds of reasons So many things I could say And I know I'm not mistaken This is love and that's for sure You, you're the only one You're the only one You, you're the only one There are times I remember It wasn't so long ago I was lonely, sad and confused I didn't know where to go But baby I want to tell you Just how good you make me feel You, you're the only one You're the only one You, you're the only one I'd be a fool to deny it I want everyone to know You, you're the only one You're the only one You, you're the only one Baby, baby
