(Ever, forever, ever, and ever, and ever) (Ever, forever, ever, and ever, and ever) There you are Standing there reaching out for me Something warm in your eyes Touched my heart And all the love I never knew I found in you Suddenly My world, my life was standing still And you touched my hand I knew that we had laid a plan For everlasting love I'm forever dreaming of At last, at last My forever came today When you walked into my life Made my lonely life a paradise It came today Forever came today Ooh, look in my eyes and see how much I want ya Feel my touch You know how much I need ya I may be young, but I'm old enough to know Look at me I will never let it go Let this moment thrill me a lifetime Make it last, make it last Make it last forever (Ever, forever, ever, and ever, and ever) (Ever, forever, ever, and ever, and ever) Darling Ooh, my darling make me yours As I touch your face Tell me love has led me (led me) To this place And your warm embrace Thanks to you Thanks to you my search has ended And I want the world to see How gently love has shined on me (shined on me) With everlasting love (everlasting love) That I been forever dreaming of At last, at last My forever came today When you walked into my life Made my lonely life a paradise It came today
