```
Ooh, can it be I stayed away too long
Did I leave your mind when I was gone
It's not my thing trying to get back
But this time let me tell you where I'm at
```

You don't have to worry 'cause I'm coming
Back to where I should have always stayed
And now I've learned the meaning to your story
And it's enough love for me to stay

Can it be I stayed away too long
Did I leave your mind when I was gone
Well, it's not my thing trying to get back
But this time let me tell you where I'm at

I wanna, wanna be where you are (ooh, aah) Anywhere you are (ooh, aah) I wanna, wanna be where you are (ooh, aah) Everywhere you are (ooh, aah, ooh)

Please don't close the door to our future There's so many things we haven't tried I gonna love you better than I used to And give you all the love I have inside

(instrumental)
Ooh

```
I wanna, wanna be where you are (ooh, aah)
Any, any, Anywhere you are (ooh, aah)
I wanna, wanna be where you are (ooh, aah)
I gotta, gotta be where you are (ooh, aah)
```

```
I wanna be, I wanna be (ooh, yea, yea, baby now)
I wanna be, I wanna be (ooh, ooo)
I wanna be, I wanna be (ooh, now, now, yea, yea)
I wanna be, I wanna be (ooh)
I wanna be, I wanna be (ooh, now, now, baby)
I wanna be, I wanna be (ooh)
```
