The Love I Saw In You Was Just A Mirage

The Jackson 5

There you were beautiful The promise of love was written on your face You led me on with untrue kisses You held me captured in your false embrace

Quicker than I could bat an eye Seems you were telling me goodbye Just a minute ago your love was here All of a sudden it seemed to disappear Sweetness was only heartache's camouflage The love I saw in you was just a mirage

You promised that happiness we'll ever share But all I have are memories of love that was never there

We used to meet in romantic places You gave the illusion that your love was real Now all that's left are lipstick traces From the kisses you only pretended to feel

And now our meeting you avoid And so my world you have destroyed Just a minute ago your love was here All of a sudden it seemed to disappear The way you wrecked my life was like sabotage The love I saw in you was just a mirage

You brought me up just to throw me down You love me and my dreams shattered all on your ground

You only filled me with despair By showing love that wasn't there Just like the desert shows a thirsty man A green oasis where there's only sand You lured me into something I should have dodged The love I saw in you was just a mirage

To you I gave true love from deep within You made me hungry for your love When it was not deeper than your skin

Just like the desert shows a thirsty man A green oasis where there's only sand You lured me into, into something I should have dodged The love I saw in you was just a mirage
