

# You've Changed

The Jackson 5

Hoo hoo hoo hoo hoo  
Yeah yeah yeah yeah yeah yeah yeah.  
I remember when you was a little girl  
I say you never ever ever wore curls  
You wore nothing but an old shaggy, shaggy dress

I say you never ever try to look your best.  
Now when I look at you  
All my love come a'running through.  
You've changed and it's showing  
My love for you is growing  
You've changed and it's showing  
Yeah. Yeah yeah yeah yeah yeah yeah.  
You legs were little  
But now they are big  
Instead of wearing a pony tail  
You wear a little red wig  
Your eyes are pretty  
You got some kissable lips  
And I love the way you walk  
Cuz you swing your hips!  
Now when I look at you  
All my love come a'running through  
You've changed and it's showing  
My love for you is growing  
You've changed and it's showing.  
Hoo hoo. Yeah. Yeah yeah yeah yeah yeah yeah yeah.

(Your walk) Oooh, baby, I love the way you walk.  
(Your talk) Oooh, oooh, the way you speak to me.  
(Your look) Oooh, my heart is shook.  
(Your eyes) Oooh, baby, hypnotize.  
Now when I look at you  
All my love come a'running through  
You've changed and it's showing  
My love for you is growing  
You've changed and it's showing.
