

Slow Down

The Jam

Well, come on pretty baby, won't you walk with me
Come on pretty baby, won't you talk with me
Come on baby, give me one more chance
Try to save me and our romance slow down

Baby, I'm not movin' away too fast
You better give me a little love
Give a little love
Baby what I love the best

So I used to walk you home
Baby after school carry your books home too
And now you got a boyfriend down the street
Baby what you tryin' to do? You better slow down

Babe, I'm not movin' away too fast
You better give a little love
Give a little love
Baby what I love the best

So your a little lover, tell the way I do
Come on pretty baby, walk two by two
I'll let you love me, your so fine child
The best woman I've ever had slow down

Babe, I'm not movin' away too fast
You better give a little love
Give a little love
Baby what I love the best

Slow down, slow down
Slow down, slow down baby
Slow down, slow down
