## **Darklands**

## The Jesus and Mary Chain

I'm going to the darklands To talk in rhyme With my chaotic soul As sure as life means nothing And all things end in nothing And heaven I think Is too close to hell I want to move I want to go I want to go Oh something won't let me Go to the place Where the darklands are And I awake from dreams To a scary world of screams And heaven I think Is too close to hell I want to move I want to go I want to go Take me to the dark Oh god I get down on my knees And I feel like I could die By the river of disease And I feel that I'm dying And I'm dying I'm down on my knees Oh I'm down I want to go I want to stay I want to stay
