

# Across the Universe

The John Butler Trio

Words are flowing out like endless rain into a paper cup  
They slither wildly as they slip away across the universe  
Pools of sorrow, waves of joy are drifting through my opened mind  
Possessing and caressing me

Jai guru deva om  
Nothing's gonna change my world  
Nothing's gonna change my world

Images of broken light which dance before me like a million eyes  
They call me on and on across the universe  
Thoughts meander like a restless wind inside a letter box  
They tumble blindly as they make their way across the universe

Jai guru deva om  
Nothing's gonna change my world  
Nothing's gonna change my world  
Nothing's gonna change my world  
Nothing's gonna change my world

Sounds of laughter shades of earth are ringing  
Through my opened ears, inciting and inviting me  
Limitless undying love which shines around me like a  
Million suns, it calls me on and on across the universe

Jai guru deva om  
Nothing's gonna change my world  
Nothing's gonna change my world  
Nothing's gonna change my world  
Nothing's gonna change my world

Jai guru deva
