

# Echo Home

The Kills

I'm flowing with the waters  
I'm spinning into orbit  
So won't you come on home and make it alright?  
I'm drifting in the same old boat  
With a different crew mmmmh  
So won't you come on home and make it alright?  
Won't you echo back and make it fine?

Maybe you'll go out of your mind  
You can lose it all if you wanna  
Maybe you'll go out of mine  
It's been slow wrong  
You can keep your own dear life  
You can lose it all if you wanna  
But I can't keep you out of mine  
Oh no

We were dancing to the beat of a hum  
Flying with the speakers blown  
Oh won't you come on back and make it alright?  
And if I take my toll for the worst  
Then I call you on the phone  
Will you echo home when I call?  
Won't you echo back and make it alright?  
Oh won't you echo home and make me fine?

Maybe you went out of your mind  
You can lose it all if you wanna  
Maybe you went out of mine  
It's been slow wrong  
You can live your own dear life  
You can lose it all if you wanna  
But I can't let you out of mine  
Oh no

And it's a long long long long tramp  
From the rocks to the pearls  
We got so lost  
We got so lost  
We got so lost  
For so long

And it's a long long long long tramp  
From the rocks to the pearls  
We got so lost  
We got so lost  
We got so lost  
For so long

For so long  
Mmmmm  
So long  
For so long  
Mmmmm  
Oh

Maybe you went out of your mind

You can lose it all if you wanna  
Maybe you went out of mine  
It's been so long  
You can live your own dear life  
You can lose it all if you wanna  
But I can't let you out of mine  
Oh no

I'm flowing with the waters  
I'm spinning into orbit  
So won't you come on home and make it alright?  
So won't you come on home and make it fine?
