

## One Silver Dollar

### The Kills

One silver dollar  
Bright silver dollar  
Changing hands  
Changing hands

Endlessly rolling  
Wasted and stolen  
Changing hands  
Changing hands

Spent for a beer he's drinking  
Won by a gamblers lust  
Pierced by an outlaw's bullet  
Lost in the blood red dust

One silver dollar  
Worn silver dollar  
Changing hands  
Changing hands

Love is a shining dollar  
Bright as a church bell's chime  
Gambled and spent and wasted  
Lost in a dart of time

Ooooh Ooooh...

One silver dollar  
Worn silver dollar  
Changing hearts  
Changing lives  
Changing hands
