A Little Bit Of Sunlight

The Kinks

Tears would fall like the falling rain, There would be a sea. But you don't have to cry to prove your love, Just believe in me.

'Cause a little bit of sunlight is all that I want from you, A little bit of sunlight, Is all that I want, All that I want, All that I want from you.

A man who can't live with cloudy skies, Should only wait and see. Soon all the clouds will disappear, And leave just you and me.

'Cause a little bit of sunlight is all that I want from you, A little bit of sunlight, Is all that I want, All that I want, All that I want from you.
