

Get Back In The Line

The Kinks

Facing the world ain't easy when there isn't anything going
Standing at the corner waiting watching time go by
Will I go to work today or shall I bide my time
'Cos when I see that union man walking down the street

He's the man who decides if I live or I die, if I starve, or I
eat
Then he walks up to me and the sun begins to shine
Then he walks right past and I know that I've got to get back i
n the line
Now I think of what my mamma told me

She always said that it would never ever work out
But all I want to do is make some money
And bring you home some wine
For I don't ever want you to see me
Standing in that line

'Cause that union man's got such a hold over me
He's the man who decides if I live or I die, if I starve, or I
eat
Then he walks up to me and the sun begins to shine
Then he walks right past and I know that I've got to get back i
n the line
