Gotta Get the First Plane Home

The Kinks

I won't stay around with you my friend My life's been empty since I went Since I went away from home I'm sick and tired of being alone There's nothing left for me to do So I gotta get the first plane home I gotta get the first plane home

I gotta wing wing fly high over the see There's a little girl who's waiting for me Love her till my dying day And when I die you'll hear me say I love that girl for eternity But I gotta get the first plane home I gotta get the first plane home

Got to wing wing fly high over the see There's a little girl who's waiting for me Love her till my dying day And when I die you'll hear me say I love that girl for eternity But I gotta get the first plane home I gotta get the first plane home I gotta get the first plane home I gotta get the first plane home
