I don't wanna get left behind

Gonna love my baby all the time

If I don't wanna get left alone

I gotta move on down my baby's home

And if my baby isn't there

I'm gonna fill my gap and comb my hair

Gotta move, gotta move

Gotta move, gotta move

All my life I've had to move
Always failed to stay in school
As I move down this very long road
Sometimes I wished I'd stayed at home
Where I'm going no one knows
Only know I gotta go
You gotta move, gotta move
Gotta move, gotta move

I don't wanna get left behind

Gonna love my baby all the time

If I don't wanna get left alone

I gotta move on down my baby's home

And if baby isn't there

I'm gonna brush my boots and comb my hair

I gotta move, gotta move

I gotta move, gotta move
