

# Supersonic Rocket Ship

The Kinks

Let me take you on a little trip  
My supersonic ship's at your disposal  
If you feel so inclined. Well alright.  
We're gonna travel faster than light  
So do up your overcoat tight  
And you'll go anywhere you want to decide. Well alright.  
Too many people side by side  
Got no place to hide.

On my supersonic rocket ship  
Nobody has to be hip  
Nobody needs to be out of sight. Out of sight.  
Nobody's gonna travel second class  
There'll be equality  
And no suppression of minorities. Well alright.  
We'll take this planet, shake it round  
And turn it upside down.  
My supersonic rocket ship.

It ain't no magic, ain't no lie,  
You'll laugh so loud you'll cry.  
Up and down, round and round  
On my supersonic rocket ship.

Let me take you on a little trip  
My supersonic ship's at your disposal  
If you feel so inclined. Well alright.  
Nobody's gonna travel second class  
There'll be equality  
And no suppression of minorities. Well alright.  
Let me take you on a little trip  
On my supersonic rocket ship.
