

Till The End Of Day

The Kinks

Baby, I feel good.....from the moment I rise...
Feel good from morning.....till the end of the day.

Till the end of the day.

Yeah, you and me.....we live this life
from when we get up.....till we go sleep at niight.

You and me, we're free.....we do as we please, yeah.

From morning.....till the end of the day..

Till the end of the day.

Yeah, I get up....and I see the sun,
and I feel good, yeah, cause my life has beeeegun.
You and me, we're free...we do as we please, yeah.

From morning.....till the end of the day.

Till the end of the day...Till the end of the day...

Till the end of the day

You and me, we're free...we do as we please, yeah.
From morning.....till the end of the day.

Till the end of the day...Till the end of the day..
Till the end of the day...Till the end of the day..

Till the end of the day...
