

Cinderella

The Knocks

Come take my temperature, I think I'm burning up
But I keep dancing to my heartbeat stops
Oh, darling what's your name? It's time to play the game
We've got 'til midnight 'til the backbeat stops

So no, no, no, no, don't worry about a thing, love
Just feel the rhythm of your body and mine
So no, no, no, no, don't worry about a thing, love
Just feel the rhythm of your body tonight

Lose your slippers and move your feet
Say, oh Cinderella, go Cinderella
Don't stop living this fantasy
Say, oh Cinderella, go Cinderella
Oh Cinderella, go Cinderella
Oh Cinderella, go Cinderella

You've got me hypnotized, it's something in your eyes
I know you're different by the way you stare
You say you gotta go, just makes me want you more
But it's alright, I'll take you anywhere

So no, no, no, no, don't worry about a thing, love
Just feel the rhythm of your body and mine
So no, no, no, no, don't worry about a thing, love
Just feel the rhythm of your body tonight

Lose your slippers and move your feet
Say, oh Cinderella, go Cinderella
Don't stop living this fantasy
Say, oh Cinderella, go Cinderella
Oh Cinderella, go Cinderella
Oh Cinderella, go Cinderella

Oh can we dance all night?
Oh you and I, oh you and I, oh you and I
Until the morning light
We can try, try, try
Oh can we dance all night?
Oh you and I, oh you and I, oh you and I
Until the morning light
We can try, we can try, we can try
We can try, we can try

Lose your slippers and move your feet
Say, oh Cinderella, go Cinderella
Don't stop living this fantasy
Say, oh Cinderella, go Cinderella
Oh Cinderella, go Cinderella
Oh Cinderella, go Cinderella
