Lie

The Knocks

I, I don't know why we're
Screamin' so loud, we're only wastin' our time
We're safe roads away
There's no comin' back for us

Turn around, turn around now, baby
Don't let it go too far
Turn around while it's not too late
Don't let it run from us

We lie
We fight
Sometimes
But oh, we love, ooh

Why, why are we playin'?
Playin' with time, time isn't too good at waitin'
When time runs away
There's no comin' back for us
Ooh, no

Turn around, turn around now, baby
Don't let it go too far
Turn around while it's not too late
Don't let it run from us

We lie
We fight
Sometimes
But oh, we love, ooh

We lie
We fight
Sometimes
But oh, we love, ooh

We love, we love
We love, we love
We love, we love, we love
